

AUCTION CATALOGUE FOR AUGUST 14th 2025 AUCTION AT CHANDLER'S FORD								
The layout of this catalogue is similar to the previous Chandler's Ford auction, as we have a number of different vendors, so the catalogue is arranged in vendor order rather than strict alphabetical country order. This makes it easier for our auction team. Hope this is not too inconvenient.								
In some of the lots, mint stamps may have discoloured gum, and used stamps may be toned. This is reflected in the reserves.
